

Recommended Tapes for Equipment

It is very important to have your equipment be the best that it can be at all times. This will allow you to spin safer and more efficiently. Listed here are the types of tapes that are trusted most. It is suggested that you only use these types of tape because other tapes will not work as well.

Scotch #35 Electrical Tape
Used for: Flags, Rifles, Sabres
We typically only use the black and white colors.

Scotch Super 33+ Electrical Tape
Used for: Flags, Rifles, Sabres
We typically only use the black and white colors.

Scotch Vinyl Electrical Tape
Used for: Flags, Rifles, Sabres
This one only comes in black and it is probably the cheapest scotch tape.

Scotch Super 88 Electrical Tape

Used for: Flags, Rifles, Sabres

We typically only use the black and white colors. This one is more heavy duty which is not required. **Only buy this tape if the Super 33+ and the #35 tape are sold out.**

Scotch Extreme Tape

Used for: Rifles

Make sure to check that this tape has the grid made of string. This tape is typically used as “strapping tape” for rifles to keep them from splitting.

Scotch Strapping Tape

Used for: Rifles

This can also be used for rifles as strapping tape.
